Subject: Member Alert - Request for Confirmation of Membership Info

January 31, 2022

Greetings NMLTA Members!

As the new year has finally reached us, the NMLTA is working on finalizing the 2022 Dues. In an effort to make sure that the invoices are addressed and sent out appropriately, we are trying to update our membership list to make sure that we have the most current/correct information for our members. I am attaching our [Membership Spreadsheet](#) to this Title Blast for your review. While I know that everyone's time is valuable, I ask that you please take a moment to review your company's information on the attached spreadsheet to make sure that all the information is correct. Should you have revisions or updates, please email them to me at jw@currycountyabstract.com and I will get the information updated for you.

Additionally, as it is a new year, we are once again asking our members to join our various committees and to lend your knowledge, expertise and voices to better our association. I am attaching our [Committee Spreadsheet](#). Please review this and if there is a committee that you would like to join or one of your employees/co-workers would like to join, again, please let me know. You can email me (jw@currycountyabstract.com) your information and I will add you to the list and forward your information to the committee chairs.

We hope that the New Year is going well for you and as always, we wish you the very best!

Sincerely,

J. W. Baldock
