OSI Changes Public Rate Hearing to Telephone Hearing

The final public hearing in the 2019 title insurance rate docket, scheduled for April 14, WILL NOT be held in the PRC Hearing Room in Santa Fe. Instead, the hearing will be held telephonically. The NMLTA anticipates that the Hearing Officer will recommend no changes to the current rates, based upon NMLTA's motion to stay the rates in light of the current circumstances and the concurrence in that motion by the Title Insurance Bureau and the Fidelity Companies. We will advise the membership as soon as the final order is entered.

If you wish to participate in the hearing, please use the following call-in information.
