

There is Still Time to Make Your Voice Heard

The Governor has not yet signed SB 12, the Revised Uniform Law on Notarial Acts (RULONA). It is very important that the governor hear from constituents. Please contact the Governor's office ask her to sign SB 12. Please say how having remote online notarization will benefit sellers, buyers and homeowners refinancing. Please feel free to highlight the extraordinary steps you had to take to deal with signings during the pandemic.

Every voice needs to be heard right now.

Thank you for your continuing support of the Association and this very important piece of legislation.
